Sierra Premium™

- Sierra Premium™ panels are 60% thicker than other fiber cement shake panels. Thicker panels mean more distinctive appearance and deeper shadow lines.
- Deep grain and groove texture creates an authentic shake appearance for residential and commercial applications.
- Less breakage during installation with thicker 1/2" panels.
- Boards are factory primed and sealed on six sides.
- Withstands greater than 150 mph (3 second gusts) sustainable winds - ASTM E 330.
- Available in primed, pre-finished in 8 stain colors or with a one or two coat finish in any color.
- Backed by a lifetime limited warranty. Finish warranties: 25-year 2-coat finish, 15-year 1-coat finish or 12-year stain finish warranty by Duckback Products, Inc.*

Silica Dust Warning: NICHIBA products may contain some amounts of crystalline silica [a.k.a. sand, silicon dioxide], which is a naturally occurring mineral. The amount will vary from product to product. Inhalation of crystalline silica into the lungs and repeated exposure to silica can cause health disorders, such as silicosis, lung cancer, or death depending upon various factors. To be conservative, Nichiha recommends that whenever cutting, sawing, sanding, sniping or abrading the product, users observe the Safety Instructions above. For further information or questions, please consult the MSDS, your employer, or visit www.osha.gov/SLTC/silicacrystalline/index.html and www.cdc.gov/niosh/topics/silica. The MSDS for Nichiha products are available at www.nichiha.com, at your local Nichiha dealer or through Nichiha directly at 1.866.424.4421. FAILURE TO ADHERE TO OUR WARNINGS, MSDS, AND OTHER INSTRUCTION MAY LEAD TO SERIOUS PERSONAL INJURY OR DEATH.
